- § 82-12. When effective.

[HISTORY: Adopted by the Board of Health of the Township of Union 8-4-76 as Ord. No. 1975-4. Amendments noted where applicable.]

Be it ordained by the Board of Health of the Town^shi^p of Union, in the County of Ocean and State of New Jersey:

§ 82-1. Adoption. of standards.

A code regulating the location, construction, alteration, use and supervision of individual and semipublic water supplies requiring certain permits; providing for the inspection of supplies, the fixing of fees and prescribing penalties for violations is hereby adopted pursuant to Chapter 188, P.L. 1960 (N.J.S.A. 26:3-69.1 to 3-69.6). A copy of said code is annexed hereto and made a part hereof without inclusion of the text thereof herein.

§ 82-2. Title.

The said code established and adopted by this ordinance is described and commonly known as the "Individual and Semipublic Water Supply Code of New Jersey (1966)."

§ 82-3. Copies on file.

Three (3) copies of the said Individual and Semipublic Water Supply Code of New Jersey (1966) have been placed on file in the office of the Secretary of this Board of Health upon the introduction of this ordinance and will remain on file in said office for use and examination by the public.

§ 82-4. Permit required.

- A. No person shall locate, construct or alter any water supply until a permit for the location, construction or alteration of said water supply shall have been issued by the Board of Health.
- B. The Board of Health may issue a permit if an application for the same is accompanied by a certificate made by an engineer licensed to practice professional engineering in New Jersey stating that the design of the water supply as proposed is in compliance with the code.

§ 62-5. Certificate required.

- A. New water supplies shall not be placed in operation nor shall new dwellings or buildings or additions thereto be sold or occupied, which must rely on such a supply for water, until the Board of Health shall have issued, a certificate indicating that the said water supply has been located and constructed in compliance with the terms of the permit issued and the requirements of the aforesaid code. Issuance of such a certificate shall not be required for alteration to an existing water supply.

- B. The Board of Health may issue such a certificate if an engineer licensed to practice professional engineering in New Jersey submits a statement in writing signed by him to the Board of Health that the said water supply has been located and constructed in accordance with the terms of the permit and the requirements of the aforesaid code.

§ 82-6. Hearing on denial of permit or certificate.

In case any permit or certification required by this ordinance is denied by the Board of Health, a hearing shall be held thereon before the Board within fifteen (15) days after request therefor is made by the applicant, and, upon such hearing, the Board of Health shall affirm, alter or rescind its previous determination and take action accordingly within fifteen (15) days after the date of such hearing.

§ C2-7. Stop-work order.

The Board of Health may order all further work. in and about any water supply, which is being erected or installed in violation of the code, to be stopped forthwith, except such, work as shall be necessary to remedy such violation, and thereafter, the work. continued without any violation of any of the provisions of the code; and after issuance of any such order and the service of a copy thereof upon any person connected with or working in and about the erection or installation of any such water supply, or any part thereof, no further work shall be done thereon except as aforesaid.

§ 82-8. Fees.

The following fees and charges are herewith established:

- A. For the issuance of a permit to locate and construct or alter a water supply: ten dollars (\$10.).
- B. For each reinspection of a water supply, or part thereof, caused by the failure of the permittee to locate and con-

struct or alter the same in accordance with the terms of the permit issued or the terms of the aforesaid code: an inspection fee of ten dollars (\$10.)

§ 82-9. Violations and penalties.

- A. Any person or persons, firm or corporation violating any of the provisions of or any order promulgated under this ordinance or the Individual and Semipublic Water Supply Code of New Jersey (1966) made a part hereof shall, upon conviction thereof, pay a penalty of not less than two dollars (\$2.) nor more than one hundred dollars (\$100.) for each violation.
- B. Each day a particular violation continues shall constitute a separate offense.

§ 82-10. Repealer.

All ordinances, codes or parts of same inconsistent with any of the provisions of this ordinance and the code established hereunder are hereby repealed, to the extent of such inconsistency.

§ 82-11. Severability.

In the event that any section, sentence or clause of this ordinance or code shall be declared unconstitutional by a court of competent jurisdiction such declaration shall not in any manner prejudice the enforcement of the remaining provisions.

§ 82-12. When effective.

This ordinance and the code herein established shall take effect thirty (30) days after the first publication of this ordinance, in accordance with the provisions of N.J.R.S. 23:3-69.
