

55-110. FINAL PLAT PROCEDURE. [Amended 9-8-83 by Ord. No. 1983-20; 10-5-98 by Ord. No. 1998-20 § 31

Twenty-two (22) black-line or blue-line prints of the final plat drawn to the specifications pursuant to § 55-116, together with the original and twenty-one (21) copies of the completed land use and development application forms requesting final approval, the fees and escrow deposits as required in Article III of this chapter, shall be submitted to the Administrative Officer. A performance guarantee in the amount sufficient to ensure the completion of the improvements required under § 55-123 of this chapter and inspection escrow deposit as required in Article III of this chapter, shall be submitted prior to the signatures by the Board Engineer, Chairman and Secretary's signatures certifying any approvals by the municipal agency.
