

55- 168. HOTELS AND MOTELS.

Where specifically permitted pursuant to this chapter, the following minimum standards shall be met:

A. Minimum floor area per unit:

(1) Hotel: two hundred fifty (250) square feet.

(2) Motel: two hundred fifty (250) square feet.

B. Appropriate areas shall be set aside for the recreational needs of the guests.

C. All garbage receptacles for storage and pickup shall be centrally located and easily accessible within a screened aboveground enclosure.

D. Such other performance standards as may be required by the approving authority.
