

55-177. PRINCIPAL USE.

No lot shall have erected upon it more than one (1) principal permitted use. No more than one (1) principal building shall be permitted on one (1) lot, except that commercial uses, shopping centers, apartment and condominium projects and industrial complexes, all receiving site plan approval, may be permitted to have more than one (1) building on a lot in accordance with standards of the zoning district in which they are located.
