

Committee Meeting – December 21, 2009

MAYOR'S REPORT

SNOW STORM:

After probably the worst snow storm in years, I need to commend our Public Works and Water/Sewer crews and our Administrator, for their tremendous effort in clearing our roads. While I do understand that some of our residents were not happy with the speed of the clearing, they must realize that with a storm of this magnitude takes a lot of time and effort to manage. Our administrator will give a full account of the weekend storm during his report.

2010 APPOINTMENTS & COMMITTEE ASSIGNMENTS:

During our workshop meeting tonight the Committee discussed the 2010 appointments to the various boards, committees and our professionals. There are still a few positions available on some of the committees and they will be posted on our web site for anyone that is interested.

2010 REORGANIZATION:

On January 1st at 1:00 PM the Township will hold its reorganization meeting. At this meeting, the new Committee is sworn in, as is the 2010 Mayor and Deputy Mayor. Also at that time the Committee will make all of the appointments to the Boards, Committees and professionals for the town. Please join us if you can and also for the party and buffet immediately following in the Recreation Center.

THE HOLIDAYS:

I would like to wish all of you here as well as the rest of our residents a very Merry Christmas and Happy Holiday's and a safe and prosperous 2010.

Jeffrey M. Melchiondo
Mayor, Barnegat Township
