General terms and conditions

The "Buy in Barnegat" discount card program promotes Township businesses by encouraging residents to shop locally. The following terms and conditions apply to the program.

1. Program starts on May 1, 2013 and ends on May 31, 2013. **However, please keep your cards, as the program may be continued in the fall, 2013.**
2. Not all Barnegat merchants are participating in the program. Please refer to list of participating businesses along with looking for the "Buy in Barnegat" sign in the window of the participating business.
3. The "Buy in Barnegat" program provides discounts up to 20% at participating merchants. Each individual merchant will determine amount of discount offered and what items receive a discount. Not all items will be eligible for a discount.
