Permit Packages

Please read the enclosed documents carefully. (2 pages)

They must be completed by the property owner and signed where specified.

**Please do not assume these forms do not apply to you,
everything must be filled out.**

Items that will need to be submitted along with your permit package:

1. You **will** need to obtain a tax release form from the Tax Dept.
2. Debris form / co certification
3. Any supplemental forms given to you by our staff

Depending on the type of work you are doing will dictate what type of additional paperwork you will need to submit.

**Any questions regarding items required, or if you are not sure what is needed, do not
hesitate to call:**
