Re: Bid Award Recommendation
Hillside Avenue Sanitary Sewer & Pump Station Project

Dear Mrs. Auer:

Bids were received and publicly opened at the Municipal Building on June 21, 2012 for the above referenced project. A total of seven (7) bids were received for this work with the bids ranging from a low of $338,995.00 to a high of $525,125.00. Attached for your consideration is a copy of a Tabulation of Bids which we have prepared for this project.

As you can see, the low bid of $338,995.00 was submitted by Shore Connection, Inc., 304 Forge Road, West Creek, NJ 08092. We have reviewed the bids submitted for this work and find that the low bid appears to be reasonable and all of the required documentation is in order. In addition, we find the low bidder to be qualified for performing the required work on this project. Based on the above, we recommend that the Township award a contract for this work to Shore Connection, Inc. for their low bid of $338,995.00.

Under separate cover, we are forwarding the original bid packages to the Township Attorney, Jerry J. Dasti, Esq., his review and approval. Our recommendation of award is conditioned upon the Township Attorney's approval of the submitted bid documents and upon the Township's Chief Financial Officer, Kathleen Janeski, certifying that adequate funds are available for this project. In accordance with the provisions of the Local Public Contracts Law, the award of this contract must be made within 60 days from the date of opening of the bids.

Should you, the Mayor or members of the Township Committee have any questions regarding the award of this contract, please feel free to call.

Very truly yours,
