**Re: Request for Maintenance Bond Release
Ocean Acres Phase 5
Sanitary Sewer System Facilities
Bond #5037605**

Dear Mrs. Auer:

According to our records, Walters Development Co., LLC posted a maintenance bond for the water system facilities at the above-referenced development on December 15, 2010, (Bond #5037605 issued by Bond Safeguard Insurance Company). Under the Municipal Land Use Law, maintenance bonds remain in effect for a period of two years. Thus, the maintenance bond is scheduled to expire on December 15, 2012. In this regard, our office has reinspected the water system improvements and found everything to be in good condition. Therefore, we have no objection to the subject water system maintenance bond being released at this time.

We trust that this letter will answer all of your questions regarding the subject matter. If we can be of further assistance, please feel free to call.

Very truly yours,

BIRDSALL SERVICES GROUP, INC.
