**Re: Request for Maintenance Bond Release  
Heritage Point North - Section 5  
Sanitary Sewer System Improvements  
LOC #4203**

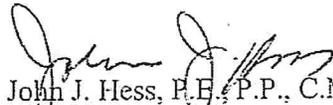

Dear Mrs. Auer:

According to our records, the Mignatti Companies posted a maintenance bond for the sanitary system improvements at the above-referenced development on November 22, 2010 (LOC #4203 issued by Sovereign Bank). Under the Municipal Land Use Law, maintenance bonds remain in effect for a period of two years. Thus, the maintenance bond is scheduled to expire on November 22, 2012. In this regard, our office has reinspected the sanitary system improvements and found everything to be in good condition. Therefore, we have no objection to the sanitary system maintenance bond being released at this time.

We trust that this letter will answer all of your questions regarding the subject matter. If we can be of further assistance, please feel free to call.

Very truly yours,

**Re: Request for Maintenance Bond Release  
Heritage Point North - Section 5  
Water System Improvements  
LOC #4204**

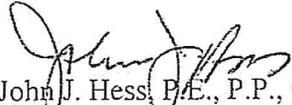

Dear Mrs. Auer:

According to our records, the Mignatti Companies posted a maintenance bond for the water system improvements at the above-referenced development on November 22, 2010 (LOC #4204 issued by Sovereign Bank). Under the Municipal Land Use Law, maintenance bonds remain in effect for a period of two years. Thus, the maintenance bond is scheduled to expire on November 22, 2012. In this regard, our office has reinspected the water system improvements and found everything to be in good condition. Therefore, we have no objection to the water system maintenance bond being released at this time.

We trust that this letter will answer all of your questions regarding the subject matter. If we can be of further assistance, please feel free to call.

Very truly yours,

**BIRDSALL SERVICES GROUP, INC.**
