---

Please find attached price quotes for lab services for 2012. I would like to use JR Henderson Lab as a professional service contract. I have spoken to Dave about using them under a professional contract. We have used them before without a problem and recommend them as our lab for 2012. Please put this on the agenda for the next Township meeting not to exceed \$15,000.

If you have any Questions, please contact me.
