Dave,

I have reviewed the bid submissions for the project designated as Municipal Dock Contract 1 Re-Bid. I concur with the recommendation of the Township Engineer to award the contract to the low bidder, Highway Safety Systems for the bid price of \$719,940.00. The bid documents from Highway Safety Systems are in proper legal form and comply with the bid specifications.

I understand from our conversation that a Resolution to authorize the award at tonight's meeting has already been drafted. Please let me know if you need anything further from me on this matter for the meeting tonight.

Thank you.

Subject: Bidding Documents - Contract 1 Re-Bid

Kevin,

Today we received bids for both Contract 1 Re-Bid and Contract 3 of the Barnegat Dock Rehabilitation project. Attached please find the recommendation of award for Contract 1 Re-Bid which includes the bid summary tabulation and the bidding documents for the apparent low bidder (Highway Safety Systems).

Kindly review and let us know if there are any issues with the Township awarding this contract.

Please note the Township intends to award this contract on Monday (4/1/13) night.

I will be sending a second email that contains our recommendation of award, the bid summary, and the bidding documents for Contract 3.

If you have any questions please let me know.

Thank you,

Kathryn

Re: Municipal Dock Contract 1 Re-Bid
Bulkhead/Gazebo/Boardwalk
Recommendation of Award
ARH #21-01002

Dear Mr. Breeden:

On March 28, 2013, bids were received for the above referenced project. There were two (2) bidders for this project and a summary of the total bids submitted is below:

	Highway Safety Systems	Walters Marine Construction
1A Base Bid	\$ 490,840.00	\$ 688,100.00
1B Base Bid	\$ 119,000.00	\$ 218,000.00
Total Base Bid	\$ 609,840.00	\$ 906,100.00
Alternate	\$ 110,100.00	\$ 94,750.00
TOTAL	\$ 719,940.00	\$ 1,000,850.00

The apparent low bidder is Highway Safety Systems of Hammonton, NJ. The bidder's bid documentation and bid bond appear to be complete and acceptable. The unit prices bid by the Contractor appears to be reasonable and representative of the type and quantity of the proposed work.

The Alternate Bid was to give the Township the option to have the Contractor install the decking within the platform area. It is our understanding the Township still desires Public Works to install this item and it appears the Township can award the Base Bid Only (\$609,840.00) at this time. Please note the Base Bid 1A was for items related to replacing the boardwalk and existing platform area, as well as restoring the gazebo to pre-hurricane Sandy conditions. The Base Bid 1B was for items related to having the platform extension installed which was previously designed and permitted prior to Hurricane Sandy.

Based on the information available we recommend awarding a contract consisting of Base Bid Only for a value of **\$609,840.00** to Highway Safety Systems subject to the following:

1. Review and approval of the bid by the Solicitor.
2. Certification by the CFO as to the availability of funds.

Enclosed (to the Clerk) we are returning the original bid bonds as well as a formal tabulation of bids prepared by our office. Additionally, we can provide a sample resolution if so desired; however we presume the solicitor will provide.

If you should have any questions or require additional information regarding our recommendations, please feel free to contact me.

Sincerely,
