The Township will create and administer both a rental and owner occupied rehabilitation program to satisfy its 86 unit present need obligation. A Spending Plan will be prepared and adopted by the Township that shall outline the schedule and expenditures through 2025 to realize 86 rehabilitated units. The Spending Plan will be funded through the Township's existing Developer Fee Ordinance and payments in lieu where appropriate. The Administrative Agent shall be responsible for submitting the rehabilitation program manuals and documenting each rehabilitation application and documents thoroughly. For owner-occupied units, the control period will be enforced with a lien and for renter occupied units the control period will be enforced with a deed restriction.
3. The Township of Barnegat shall dedicate an average of \$10,000 for each unit to be rehabilitated through this program, reflecting the minimum hard cost of rehabilitation for each unit.

- ii. If a unit is renter-occupied, upon completion of the rehabilitation, the maximum rate of rent shall be the lesser of the current rent or the maximum permitted rent pursuant to N.J.A.C. 5:93-9 and UHAC.
  - iii. Rents in rehabilitated units may increase annually based on the standards in N.J.A.C. 5:93-9.

    - i. Accessory apartments are permitted by the Zoning Ordinance in the TC-CV and TC-CPHD Zoning Districts, provided that a minimum of twenty percent (20%) of the units be affordable to very-low-, low- and/or moderate-income households, with a minimum of one (1) affordable unit in all developments containing accessory apartments.

    - vi. The appropriate utility authority must certify that there is water and sewer infrastructure with sufficient capacity to serve the proposed accessory apartment. Where the proposed location is served by an individual well and/or septic system, the additional capacity necessitated by the new unit must meet the appropriate NJDEP standards.
    - vii. The Township accessory apartment program shall not restrict the number of bedrooms in any accessory apartment.

- viii. No accessory apartment created as a result of this article or these regulations shall exceed the gross floor area of the existing principal dwelling on the lot.

4. The Township shall designate an administrative entity to administer the accessory apartment program that shall have the following responsibilities:
- i. The Administrative Agent shall administer the accessory apartment program, including advertising, income qualifying prospective renters, setting rents and annual rent increases, maintaining a waiting list, distributing the subsidy, securing certificates of occupancy, qualifying properties, handling application forms, filing deed restrictions and monitoring reports and affirmatively marketing the affordable accessory apartment program in accordance with the UHAC.

  - iii. In accordance with applicable affordable housing requirements, Barnegat Township shall provide at least \$25,000 per unit to subsidize the creation of each low-income accessory apartment or \$20,000 per unit to subsidize the creation of each moderate-income accessory apartment. Subsidy may be used to fund actual construction costs and/or to provide compensation for reduced rental rates.
5. Property owners wishing to apply to create an accessory apartment shall submit to the administrative entity:
- i. A sketch of floor plan(s) showing the location, size and relationship of both the accessory apartment and the primary dwelling within the building or in another structure;
  - ii. Rough elevations showing the modifications of any exterior building façade to which changes are proposed; and

A site development sketch showing the location of the existing dwelling and other existing buildings; all property lines; proposed addition, if any, along with the minimum building setback lines; the required parking spaces for both dwelling units; and any man-made conditions which might affect construction.

(c) Percentage of Mandatory Set Asides for All Future Residential Developments.

If the Township permits the construction of multi-family or single-family attached residential development that is “approvable” and “developable,” as defined at N.J.A.C. 5:93-1.3, at a gross residential density of 6 units to the acre or more, the Township shall require that an appropriate percentage of the residential units be set aside for low and moderate income households. This requirement shall apply beginning with the effective date of this ordinance to any multi-family or single-family attached residential development, including the residential portion of a mixed-use development, which consists of five (5) or more new residential units, whether permitted by a zoning amendment, a variance granted by the Township’s Planning or Zoning Board, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation. For inclusionary projects in which the low and moderate units are to be offered for sale, the appropriate set-aside percentage is 20 percent; for projects in which the low and moderate income units are to be offered for rent, the appropriate set-aside percentage is 15 percent. This requirement does not create any entitlement for a property owner or applicant for a zoning amendment, variance, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation, or for approval of any particular proposed project. This requirement does not apply to any sites or specific zones otherwise identified in the Settlement Agreement or Fair Share Plan, for which density and set-aside standards shall be governed by the specific standards set forth therein, though all other provisions of this ordinance besides Section 3 paragraph b shall be applicable to those sites unless otherwise specified.

Furthermore, this section shall not apply to developments containing four (4) or less dwelling units. All subdivision and site plan approvals of qualifying residential developments shall be conditioned upon compliance with the provisions of this section. Where a developer demolishes existing dwelling units and builds new dwelling units on the same site, the provisions of this section shall apply only if the net number of dwelling units is five (5) or more.

- (c) Phasing. Inclusionary developments shall be subject to the following schedule, except where an alternate phasing schedule has been incorporated into a development or redevelopment agreement:

Minimum Percentage of Low- and Moderate-Income Units Completed	Maximum Percentage of Market-Rate Units Completed
0	25
10	25 + 1 Unit
50	50
75	75

- (d) Fractional Units. If 20 percent of the total number of units in a development results in a fraction or decimal, the developer shall be required to provide an additional affordable unit on site.

*Example: an 8-unit development requiring an affordable housing set-aside of 1.6 units is proposed. The developer is required to provide two on-site affordable units.*

- (e) Design. In inclusionary developments, to the extent possible, low- and moderate-income units shall be integrated with the market units.
- (f) Off-site construction. The standards for constructing affordable units off-site, shall be in accordance with the Township's recommendations, provided that at least the same number of affordable units are provided, at least half of the affordable units are available to families, and not more than 25% are age-restricted, and the affordable units provided are otherwise consistent with the terms of the Settlement Agreement.
- (g) Utilities. Affordable units shall utilize the same type of heating source as market units within the affordable development.

- a. Low/Moderate Split and Bedroom Distribution of Affordable Housing Units:
1. The fair share obligation shall be divided equally between low- and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low income unit.
  2. In each affordable development, at least 50 percent of the restricted units within each bedroom distribution shall be low-income units. If there is only one affordable unit it must be a low income unit.
  3. Thirteen percent (13%) of all affordable units approved or constructed since July 17, 2008 in the Township shall be designated as very-low income households at 30% of the median income, with at least fifty percent (50%) of all very-low income units being available to families. If an inclusionary development proposes less than 10 total units, a payment in lieu of the cost of subsidizing a very low income unit shall be deposited into the Township's Affordable Housing Trust Fund based on the difference in cost between providing a very low income unit and the region's affordability average. Very-low income units shall be considered low-income units for the purposes of evaluating compliance with the required low/moderate income unit splits, bedroom distribution, and phasing requirements of this ordinance.
  4. Affordable developments that are not age-restricted shall be structured in conjunction with realistic market demands such that:

    - iv. The remaining units may be allocated among two and three bedroom units at the discretion of the developer.
  - 1. Affordable developments that are age-restricted shall be structured such that the number of bedrooms shall equal the number of age-restricted low- and moderate-income units within the inclusionary development. The standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit.

- e. Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free Sub-code, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Township's affordable housing trust fund where the funds shall be deposited into the affordable housing trust fund and appropriately earmarked.
- f. Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is site impracticable to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free Sub-code, N.J.A.C. 5:23-7.

- (e) The Administrative Agent shall also implement the rehabilitation program, affordability assistance program, and any other affordable housing programs required within the Spending Plan and adopted Housing Plan Element and Fair Share Plan.

**Section 15. Enforcement of Affordable Housing Regulations**

- (a) Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- (b) After providing written notice of a violation to an Owner, Developer or Tenant of a low-or moderate-income unit and advising the Owner, Developer or Tenant of the penalties

for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

1. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:
  - i. A fine of not more than \$10,000.00 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
  - ii. In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Township of Barnegat Affordable Housing Trust Fund of the gross amount of rent illegally collected;
  - iii. In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
2. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.
  - (c) Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
  - (d) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a

claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.

- (e) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- (f) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- (g) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- (h) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.
