This survey is a representation of conditions existing on the property except such easements and encroachments, if any, that may be located below the surface of the land or on the surface of the land not visible or in documentation supplied at the time of survey. This survey is made only to named parties for purchase and/or mortgage of delineated property by named purchaser. No responsibility or liability is assumed by surveyor for use of survey for any other purpose including, but not limited to use of survey for survey affidavit, resale of property or to any other person not listed above either directly or indirectly. Unauthorized alteration or addition to a survey map bearing a licensed land surveyor seal is illegal and punishable by law. This survey does not delineate, note, show, indicate or determine any wetlands or the environmental conditions or limits, on within, surrounding or near the property at the time of the survey.
