Dear Ms. Manno and Chief Germain:

Enclosed please find proposed ordinance which amends the language of Section 15-9 of the Township Code. Rather than specify a date that the Rules and Regulations are adopted, it just indicates that they are on file because the Rules and Regulations are amended from year to year. Section 2 of the ordinance provides the language for detective.

Please review and advise of any questions or comments. If not, then it can be placed on the agenda for the next Township Committee meeting.

The second vehicle will be used for an assisted installation training demonstration. The installation training session is customary to any AXON Fleet installation service regardless of who performs the continued Axon Fleet system installations.

The customary training session does not 'certify' a non-AXON Installer, customer-employed Installer or customer 3rd party Installer, since the AXON Fleet products does not offer an Installer certification program. Any work performed by non-AXON Installer, customer-employed Installer or customer 3rd party Installer is not warranted by AXON, and AXON is not liable for any damage to the vehicle and its existing systems and AXON Fleet hardware.
