900 West Bay Avenue
Barnegat, NJ 08005-1298

hereinafter referred to as CLIENT, AND

TAYLOR DESIGN GROUP, INC.
131 Hartford Road
Mt. Laurel, NJ 08054

hereinafter referred to as PLANNER

WHEREAS, the CLIENT desires to engage the PLANNER to serve as the PLANNER for the purpose of rendering PLANNING services when the need arises and upon the request of the Board; and

WHEREAS, Taylor Design Group, Inc. shall be designated as the PLANNER in Responsible Charge of the CLIENT whom the CLIENT shall appoint; and

WHEREAS, by entering into the CONTRACT, the CLIENT acknowledges that the services to be performed by the PLANNER shall be considered those of a "Professional Service" in accordance with N.J.S.A. 40A-11-1 et seq.; and

WHEREAS, the PLANNER has submitted a proposal dated **September 30, 2022**, for the above-described professional services, hereinafter referred to as PROPOSAL, the terms and conditions of which proposal, including fees, are satisfactory to the CLIENT, and are set forth herein.

NOW, THEREFORE, the CLIENT and PLANNER in consideration of their mutual covenants and promises, agree as follows:

TOWNSHIP OF BARNEGAT

PLANNER

JANUARY 11, 2023

Page 2 of 7

SECTION I – PROFESSIONAL SERVICES OF THE PLANNER

The PLANNER, upon the request of the CLIENT shall provide basic professional PLANNING services as required by CLIENT, as described in the PROPOSAL, which is attached hereto as Exhibit A, for the review of land development plans, reports, and applications which shall include, but not be limited to:

1. Serve as a general PLANNING consultant to the CLIENT;
2. Provide technical and PLANNING advice to the CLIENT;
3. Review the applications, reports and plans submitted by others to the CLIENT for review pursuant to the Municipal Land Use Law;
4. Consult with others and the CLIENT with respect to the foregoing matters, and all other PLANNING matters, related to the duties and responsibilities of the CLIENT;
5. Furnish pertinent reports, counseling, and advice to the CLIENT, as required;
6. Perform such other duties and functions as may be requested by the CLIENT; and
7. Attend meetings and hearings of the CLIENT, as directed.

SECTION II – ADDITIONAL SERVICES

The CLIENT may authorize the PLANNER to undertake additional services related to special projects (“Additional Services”). Such authorizations shall be by resolution of the CLIENT and memorialized in writing between the parties prior to commencement of said services. The PLANNER shall be compensated for Additional Services in accordance with the negotiated fee agreed to between CLIENT and PLANNER, which shall be memorialized in the resolution authorizing the Additional Services.

SECTION III – CERTAIN ACTIONS TO BE TAKEN BY THE CLIENT

The CLIENT agrees to:

- A. Make such records and information available to the PLANNER as may be required to assist in the performance of duties.
- B. Authorize and direct committees, employees, and agents of the CLIENT to consult with the PLANNER at all reasonable times upon the request of the PLANNER regarding:
 1. The work and services to be done or rendered by the PLANNER and/or others in the employ of the CLIENT;
 2. The applications, plans, and reports to be reviewed by the PLANNER, submitted by others to the CLIENT;
 3. The coordination of PLANNER’S professional services for any project or application; and
 4. Any and all other matters, as requested by the PLANNER, relating to the work and services of the PLANNER.
- C. Submit to the PLANNER all relevant applications, plans and reports prepared by others within such time to allow PLANNER ample opportunity to properly review same, consult with respect thereto and to make any necessary reports to the CLIENT, without the PLANNER causing a delay in the progress of the work.

SECTION IV – COMPENSATION OF THE PLANNER

- A. For the services rendered by the PLANNER under the Agreement, the CLIENT shall pay and the PLANNER shall receive the following described sums:
1. Professional Services:

For all professional services provided pursuant to Section I of this Agreement, the PLANNER shall be compensated in accordance with the Schedule of Billable Hourly Rate/Expenses, as shown on the PROPOSAL, attached hereto as Exhibit A.
 2. Additional Services:

For the Additional Services Performed under Section II of this Agreement, the PLANNER shall be compensated in accordance with the negotiated fee as set forth in writing between the parties.
 3. Attendance at Meetings:

The PLANNER, or representatives, shall attend scheduled workshop and public meetings of the CLIENT as requested. The PLANNER shall be compensated for said meetings in accordance with the Schedule of Billable Hourly Rate/Expenses, as shown on the PROPOSAL, attached hereto as Exhibit A.
 4. Additional Expenses:

Expenses for mileage and telephone are specifically included in the above hourly rates set forth in the PROPOSAL attached hereto as Exhibit A. All other expenses specifically related to the work performed under this Agreement shall be reimbursed to the PLANNER.
- B. Vouchers or invoices shall be issued monthly for services performed. Such billings shall be due when rendered.
- C. In the event CLIENT requires PLANNER'S services beyond the termination date specified in Section V, PLANNER'S Schedule of Rates shall be subject to an equitable adjustment in January to reflect changes in various elements that comprise the rates. All adjustments will be pursuant to an agreement reached between the CLIENT and the PLANNER reduced to writing and deemed a modification of this Agreement.

SECTION V – PERIOD OF SERVICE

This Agreement shall be effective **JANUARY 1, 2023**, and shall terminate on **JANUARY 31, 2024**. Should the PLANNER'S services be required beyond that time, the PLANNER'S compensation for such work shall be subject to renegotiation, provided however, that compensation shall not be lower than the rates provided in the attached Schedule of Rates.

SECTION VI – STATUS OF PLANNER

1. To the extent permitted by law, the PLANNER, when engaged in the performance of PLANNING duties and services set forth herein (including specifically those services described in Section I hereof) shall act as and have the status of an employee of an agent of the Municipality for the purposes of immunity and shall therefore be entitled to immunities normally afforded to a Municipal employee agent under Title 59.
2. The CLIENT, subject to appropriation and availability of funds, authorizes the PLANNER to secure any and all professional, technical and non-technical staff which may from time to time be necessary in the performance of the service required. It is agreed and understood that services will be provided and certain functions will be performed on behalf of the CLIENT, pursuant to the terms of this proposal, by employees of Taylor Design Group, Inc.
3. The professional, technical and non-technical staff referred to in subpart 2 hereto, when they are engaged on behalf of the CLIENT in the performance of PLANNING duties and services referred to in Section I hereof, shall be afforded Title 59 Immunity, to the extent permitted by law, as set forth in subpart 1 hereof.

SECTION VII – INSURANCE AND INDEMNIFICATION

1. The PLANNER shall secure and maintain Workman's Compensation Insurance (as required by Law) and General Liability Insurance (as required by contract) to protect the PLANNER and/or its Employees and agents from claims for bodily injury, death or property damage which may arise from the performance of services pursuant to this proposal. The limits of said Liability Insurance shall not be less than \$1,000,000 per occurrence; \$2,000,000 aggregate. The PLANNER will provide Certificates of Insurance to the CLIENT if requested.
2. PLANNER shall also provide and maintain Professional Liability (Errors and Omissions) Insurance for claims which arise from any negligent performance of the PLANNER pursuant to this agreement. The limits of PLANNER'S Professional Liability Insurance is currently \$1,000,000 per claim; \$2,000,000 aggregate.
3. The CLIENT acknowledges that although the PLANNER is to cooperate with and make recommendations to the CLIENT with respect to PLANNING matters related to the services provided by PLANNER, the final decisions are within the CLIENT'S discretion and are to be made by the CLIENT.

The PLANNER shall not be liable in any way for any decision of the CLIENT (or consequences thereof) which (i) are not in accordance with the recommendations of the PLANNER, or (ii) are based on or related to any failure on the part of the CLIENT to accept or follow any recommendations of the PLANNER. The CLIENT hereby releases the PLANNER, including its principals and employees, from any and all liability and waives any and all claims against the PLANNER, its principals or employees arising out of or relating to any such decisions or the consequences thereof, and agrees to indemnify, defend, and save harmless the PLANNER, including its principals and employees, against loss, liability, claim, damage, and expense, including reasonable counsel fees, arising out of or relating to any such decisions or the consequences thereof.

4. PLANNER agrees subject to the provisions herein, to indemnify and hold the CLIENT harmless from any damage, liability or cost (including reasonable attorneys fees and costs of defense) to the extent caused by PLANNER'S negligent acts, errors or omissions (and those of his or her contractors, subcontractors or consultants or anyone for whom the PLANNER is legally liable in the performance of professional services under this Agreement.

The CLIENT agrees subject to the provisions herein, to indemnify and hold PLANNER, its principals and employees, harmless from any damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the extent caused by the CLIENT'S negligent acts, errors or omissions.

SECTION VIII – LITIGATION AND ADDITIONAL INVESTIGATION

If requested by the client or directed by subpoena or court order, the PLANNER shall prepare for and appear in litigation matters on behalf of the CLIENT or make investigations or reports in connection therewith in accordance with the PLANNER'S schedule of billable hourly rates/expenses, or other consideration for such additional compensation as the PLANNER and CLIENT shall previously agree in writing.

SECTION IX – ENTIRE AGREEMENT

This Agreement represents the entire agreement between the CLIENT and the PLANNER relating to the subject matter hereof and no representations or agreements made by either party or by any representative of either party in the negotiations leading to the Agreement or otherwise which are not expressed in this Agreement shall be binding on either party.

No change in, addition to, or modifications of any provisions of this Agreement shall be effective unless made by written agreement signed by the party to be charged with such change, addition or modification.

SECTION X – STATUTORILY REQUIRED AFFIRMATIVE ACTION CLAUSES

The PLANNER and the CLIENT hereby incorporates by reference into this Agreement the mandatory language of Subsection 3.4(a) and the mandatory language of Section 5.3 of the Regulations promulgated by the Treasurer of the State of New Jersey pursuant P.L. 1975, c. 127, as amended and supplemented from time to time; and PLANNER agrees to comply fully with the terms, provisions and conditions of Subsection 3.4(a) and Section 3.4(a) shall be applied subject to the terms of Subsection 3.4(d) of the Regulations.

SECTION XI – AMERICANS WITH DISABILITIES ACT

The PLANNER and the CLIENT do hereby agree that the provisions of Title II of the Americans with Disabilities Act of 1990 ("Act") (U.S.C. Sec. 12101 et seq.), which prohibit discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, and made part of this Agreement.

SECTION XII – CONTROLLING LAW

The laws of the State of New Jersey shall govern this Agreement.

SECTION XIII - SUCCESSORS AND ASSIGNS

Each Party to the Agreement is hereby bound to the terms and conditions contained in this Agreement and the legal representatives, successors and assignees of this Agreement, if any, shall also be bound to the terms and conditions contained herein.

SECTION XIV -DISPUTES TO BE NEGOTIATED / MEDIATED

The parties shall attempt, in good faith, to resolve any dispute arising out of or relating to this contract through negotiations between chief executives of the parties. If the matter is not resolved by the parties alone, the parties agree to submit to a formal mediation with a mutually agreed upon mediator. If no mediator can be selected by mutual agreement of the parties, the parties shall seek the assignment of a mediator through the American Arbitration Association and in accord with its rules. Each party shall bear half the costs associated with the mediation.

If the matter is not resolved by good faith negotiation and/or mediation, within 60 days of initial notification of the need to negotiate, or such reasonable extension of time as may be necessary based upon availability of the parties or assignment of the mediator, either party may seek further legal action, including but not limited to the filing of an action in Superior Court, State of New Jersey.

SECTION XV - SEVERABILITY

Any provision of this Agreement held to be void and unenforceable under any law or regulation shall be stricken, and all remaining provisions shall continue to be valid and binding upon the parties to this Agreement.

IN WITNESS WHEREOF, the CLIENT and PLANNER have caused this Instrument to be executed in its respective name and behalf as the day and year herein written.

**Re: Statement of Qualifications & Proposal
POSITION OF LANDSCAPE ARCHITECT
POSITION OF PLANNER
Barnegat Township Zoning Board of Adjustment
Ocean County, New Jersey
TDG File: 2001-118**

Dear Chairman & Board Members:

On behalf of the firm, I would like to thank you all for the opportunity to be of service over the past several years as your Landscape Architect. We respectfully submit this **Statement of Qualifications and Proposal** for consideration to be appointed for the following positions:

- **Zoning Board Landscape Architect**
- **Zoning Board Planner**

Scott D. Taylor, AICP, PP, LLA, LEED AP is Vice-President of Taylor Design Group, Inc, and will be the individual assigned to represent the firm in Barnegat. Mr. Taylor has been working with the Township and the Planning & Zoning Boards since 2000, and is intimately familiar with the character of the Town, and the land development patterns.

Mr. Taylor will attend all requested Meetings, and will be directly responsible for client and applicant relations. Mr. Taylor has more than 20 years in practice as a Landscape Architect and Planner with a special emphasis in **Planning & Zoning Board Consulting**, and in **Park Planning & Design**. Mr. Taylor has represented numerous Boards as Landscape Architect and/or Planner, and has designed over 150 recreation projects.

The firm's record of success is reflected in the number of municipalities in which we work, and the number of **awards** that we have received. More importantly, we are most proud of the positive impact that we have had on the **quality of development** in the communities where we work, and how we are appreciated by our clients. The

Taylor Design Group, Inc.

Mount Laurel, NJ 08054

T. 856.810.3443
W. TDGplanning.com

focus of our firm is to ensure that land development **preserves and enhances** the character of each community to the greatest extent feasible, while fostering economic growth.

Taylor Design Group currently employs a staff of ten, including **eight design professionals** at our offices in Mt. Laurel. A majority of our clients are located along the shore including Avalon, Wall, Stafford, Little Egg Harbor, Barnegat, and Ocean Township, among others, so we have a continual presence in the area.

Our staff and principals are very familiar with character of Southern Ocean County and Barnegat Township. We are familiar with the land use and development patterns over the last several years, and are able to provide our services in a timely fashion.

It is our understanding from the RFP that the Board Position also includes the landscape inspections associated with land development applications.

Once again, we thank you for this exciting opportunity, and look forward to continue working with the Township & the Boards to help you implement your visions for preserving and enhancing the character of Barnegat, while accommodating appropriate levels of economic development.

If you have any questions, please do not hesitate to contact our office.

Respectfully submitted,
Taylor Design Group, Inc.

Scott D. Taylor, AICP, PP, LLA, LEED AP
Vice-President

TDG prepared a strategic Parks Implementation Plan for Moorestown Township. The purpose of the report was to confirm and develop a strategy for implementation of recommendations presented in an earlier report. As part of the written report, general and specific recommendations as well as supporting design concept sketches were prepared for each of the studied park facilities.

TDG continued their involvement with the implementation of various aspects of the plan by developing concept plans for Pryor Park Baseball Complex., Wesley Bishop Park and other sites. Planned improvements at Wesley Bishop Park included a new synthetic turf field, expanded parking, concession and restroom building, playground improvements, picnic pavilions, storage buildings and an organized pathway system to link the existing and proposed facilities.

Subsequent design phases included the design of a new softball field, and the construction administration services for the replacement turf project at the existing synthetic turf field. The new turf field can accommodate football, soccer, 9 v 9 soccer, field hockey and boy's and girl's lacrosse.

TDG also developed a field sponsorship and banner program to raise revenue to help fund the Township's recreation programs and facilities.

Project Page- Endeavour Elementary School, Joint Base MDL, NJ

TDG completed design, construction documents, bid specifications, construction oversight of the landscaping, playgrounds, and courtyards and roof terrace for the new Endeavor Elementary School for the **North Hanover School District**. TDG served as Landscape Architect and coordinated with a team that included construction managers, civil engineers, and architects.

TDG lead a programming session with district staff to solicit feedback and develop design concepts that coordinate with the district's curriculum. Four distinct spaces including three courtyards and a roof terrace were designed as extensions of the building's educational spaces.

Main Courtyard- Construction Progress Photos

The main courtyard features a mix of large and small teaching/gathering spaces, an alphabet walk, numbered paver grid, painted educational games and maps, various seating options, native plantings, boulders, a shade sail, and synthetic turf lawn.

Small Courtyard- Construction Progress Photos

Project Page- Endeavour Elementary School, Joint Base MDL, NJ

The smaller courtyard utilizes geometric shapes of synthetic turf, edged with benches to form small seating areas. Pavers are engraved with tracks of native animals and the leaf shapes of the trees that are planted within the courtyard. Native plantings, boulders, and log benches help create a “natural” environment.

The teacher’s courtyard provides an outdoor space accessible from the faculty break room. The landscaped space provides moveable and fixed seating to provide flexible seating options.

Small Courtyard – Construction Progress Photo

The roof terrace provides an outdoor science classroom space. Classroom seating and a teacher’s “desk” is provided under an arbor with a retractable sunshade. Outdoor planters, potting bench and compost bin provide necessary opportunity for plant and life cycle learning. A turf lawn panel and deck area provide space for group activities. The space is surrounded with laser cut metal panels that allow students to look beyond the space to the planted meadow and woodland beyond.

The exterior landscape was designed to utilize low maintenance, native, pinelands plants. Two outdoor playgrounds were also designed with a wide range of play equipment including spaces for students with sensory issues, basketball goals, “buddy” benches, basketball goals, open lawn and fencing that blends with the surrounding landscape. Challenges on the project involved scheduling the work in multiple phases, and coordination with other ongoing school construction.

Project Page- Surfside Park, Avalon NJ

Surfside Park is a full reconstruction and rebranding of an underutilized ¾ acre oceanfront site. TDG developed a resilient design that reflects the coastal context and the resort atmosphere of this small shore community that swells to over 40,000 residents in the summer.

Taylor Design Group prepared the Concept Plan, obtained a \$2 million grant from Cape May County; and led a team that included architects and MEP Engineers, along with the Engineer.

Major program elements included restroom and changing room buildings, playground, pavilion, open lawn area, event stage, rinse stations, and boardwalk accessibility. The park now hosts daily, weekly and annual events.

The new restroom building was raised to Boardwalk level, allowing the rear “porch” to double as an elevated stage, overlooking the event lawn. The lawn is enclosed by a “lawn wave” that provides sloped seating and separates the area from adjacent parking and accommodates daily play, concerts, movies and festivals.

Jetty rock retaining walls and colorful salt tolerant plantings frame entrances into the venue. Boardwalk-textured and “island wave” concrete pavements provide context in a durable, storm-resilient fashion. Buildings were designed in a coastal, shingle vernacular with metal roofs. A custom copper egret weathervane matching the Borough’s logo overlooks the site. Rinse stations and changing rooms round out amenities for day trippers.

A tube slide provides direct access from the Boardwalk to the play area. Maritime blue shade sails provide relief over the play area, while caregivers can relax beneath the nearby picnic pavilion. An Avalon “lifeguard chair” bench, and accessible lifeguard boat provide fun photo-spots to capture memories while promoting Avalon. Bioretention swales control runoff; and wave bike racks and interpretive signage reinforce the design, creating a vibrant destination for visitors of all ages.

Project Page- Field of Dreams, Delanco Township, NJ

TDG completed the master plan for this multi-sport recreational facility which includes soccer fields of varying levels of play, softball and baseball fields, a multiuse field, concession and restroom building, playground, and parking. TDG has participated in preparing grant applications, construction and bid documents and provided construction phase services for each of the subsequent phases of implementation. Improvements include soccer fields, new softball field, concession and restroom building, event lawn, site frontage improvements as well as oversight of the field maintenance contract for the Township.

Project Page- Boundary Creek Park, Moorestown NJ

TDG completed design, construction documents, bid specifications, construction oversight and contract administration of the Boundary Creek Natural Resource Area in Moorestown Township for the Burlington County Dept. of Resource Conservation. TDG was the lead consultant of a team including engineers, architects, and naturalists.

Challenges on the project involved achieving consensus with adjacent property owners regarding use and layout, and with NJDEP for access through wetland and mean-high-water areas to the Creek. The park was opened to the public in 2008.

We are proud to announce that this project received a 2010 Design Award from the American Society of Landscape Architects (NJ Chapter) and a 2011 Design Award from the NJ Recreation & Parks Assoc.

Project Page- Avalon, NJ

TDG created a Streetscape and Downtown Revitalization Master Plan for the seaside resort town of Avalon, NJ, which focused on the promotion of a visual identity for the Dune Drive Business District in order to stimulate economic redevelopment and enhance property values. In addition to designing a streetscape, TDG prepared ordinance amendments to permit more residential use on second floors in the downtown, which has enhanced the vitality of the area. The Plan won an Award for Excellence from NJPO.

TDG also designed Veteran's Plaza, which has become the central civic event space in the Borough, and recently completed design of the September 11th Memorial.

Project Page- Swede Run Fields – Dog Park, Moorestown NJ

TDG completed the design, construction documents, bid specifications, construction oversight and contract administration of Swede Run Fields- Dog Park for Moorestown Township. TDG was the lead consultant of a team that included the Township Engineer.

The site for the dog park was located within an active agricultural field and adjacent to an historic stone barn. The design provided for a new semi-circular parking area utilizing the large existing maple as a center point.

The parking area also serves as a trail head to the gravel farm edge trails that were restored as part of the project. The dog park was separated into areas for small and large dogs with a shared pavilion to provide shade for picnic tables. Other improvements included a drinking fountain, dog agility equipment, an information kiosk, entrance sign and interpretive sign for the historic stone barn. The fencing was also designed to blend with the agricultural surroundings. The \$350,000 project was completed in 2016.

Project Page- Crystal Lake Park, Mansfield NJ

TDG completed design, construction documents, bid specifications, construction oversight and contract administration of Crystal Lake Park in Mansfield Township for the Burlington County Dept. of Resource Conservation. TDG was the lead consultant of a team including civil engineers, architects, MEP Engineers, and naturalists.

Challenges on the project involved environmental permitting related to

endangered species, balancing active agricultural uses with public access, buffering adjacent residential property owners, addressing soil erosion that was negatively impacting the lake; and avoiding conflicts between equestrian and other park users. The \$2.6 million improvement project was opened to the public in 2016.

The design of the 370 acre park provided two new park entrances and an entrance drive, with parking lots and horse trailer parking, an accessible horse mounting ramp, a restroom building, septic system, potable well, new electric services, a picnic pavilion, fencing, landscaping, meadow planting, stormwater improvements, site furniture, kiosks, portable toilet enclosure and creation of new farm edge turf trails, woodland trails, plank walkways and five footbridges. The design also incorporated route planning for a proposed regional trail that passes through the park.

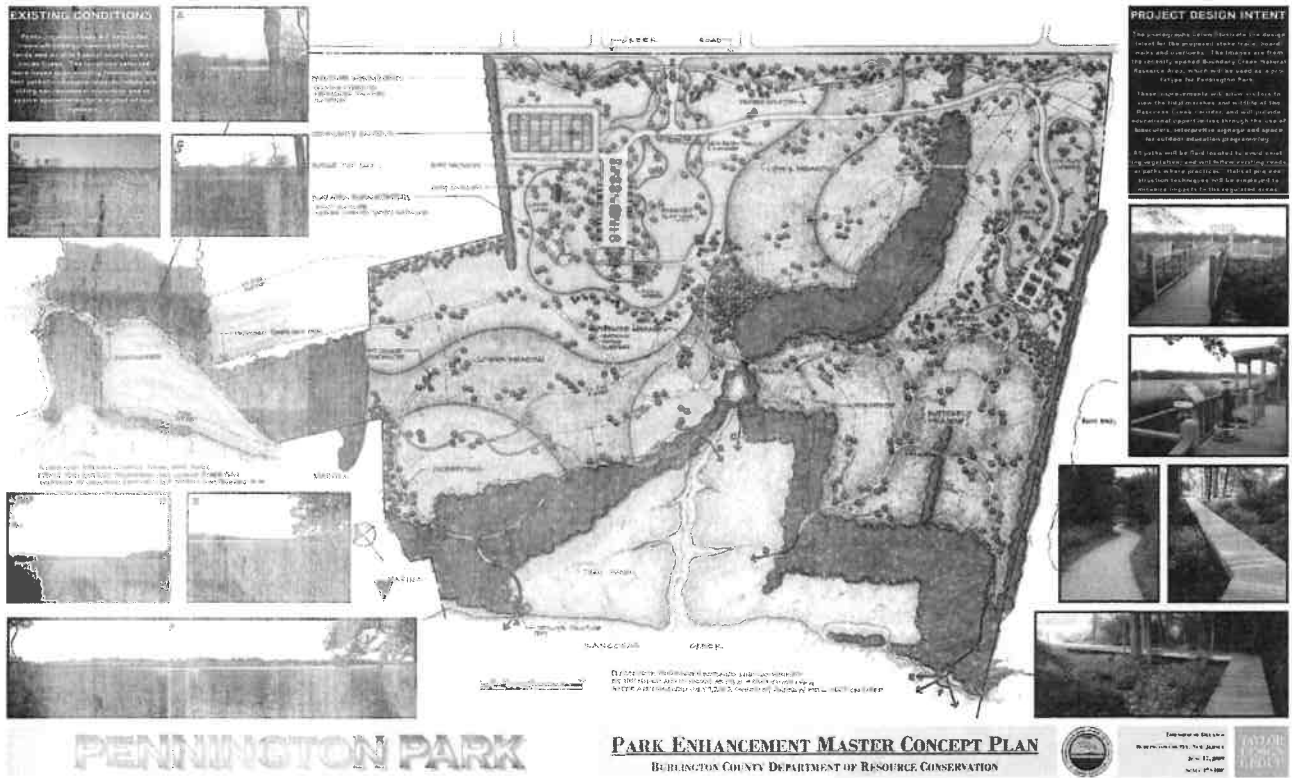

Project Page- Pennington Park Delanco, NJ

Building upon the success of Boundary Creek Park, TDG was retained by the Burlington Co. Dept. of Resource Conservation to create public access to the Rancocas Creek and other improvements in Pennington Park in Delanco Township. TDG's leadership in navigating the permitting requirements for waterfront access resulted in two boardwalk access points to Rancocas Creek and a bridge overlook, which allow unprecedented public access to this wild and wonderful tidal marshland.

TDG prepared a concept plan, site drawings and bid documents for the \$3.6 Million park facilities expansion and conducted contract administration. The team included Architects, Engineers, and Environmental consultants. Other park improvements include a community garden, a trail connection to the County's Rancocas Creek Greenway, small and large dog parks with agility equipment, enhanced play areas, fitness course, new picnic areas and three new pavilions with enhanced landscapes.

Project Page- Burlington County Fairgrounds, Springfield NJ

Over several years, TDG has completed design, construction documents, bid specifications, and construction oversight for various phases of improvements to the Burlington County Fairgrounds for the Burlington County Dept. of Resource Conservation. TDG was the lead consultant of a team that included civil engineers, architects, and MEP Engineers.

The Fairgrounds facility is the host site for the Burlington County Farm Fair as well as many other large and smaller events throughout the year. Improvement projects include utility upgrades, site lighting, a new restroom building and septic systems, large picnic/event pavilion, interior and exterior improvements to existing buildings, decorative pavements, signage design, landscaping, and turf renovation. Over \$2 million in improvements have been made, with the most recent phase completed in 2017.

Project Page- Burlington County Agricultural Center, Moorestown NJ

TDG completed design, construction documents, bid specifications, construction oversight and contract administration for improvements to the Burlington County Agricultural Center in Moorestown Township for the Burlington County Dept. of Resource Conservation. TDG was the lead consultant of a team including civil engineers, architects, and MEP Engineers.

The facility is home to various uses including community, teaching, and culinary gardens; agricultural demonstration and research plots, a farm market barn that also hosts wedding and other events, and a farmhouse with meeting rooms and a demonstration kitchen; all of which are surrounded by a privately-operated working farm with livestock.

The design included a new pathway system to organize public movement between the various uses while maintaining limited access to the farm operations. Improvements included a new community garden with accessible planters, an event lawn, picnic area, wayfinding and entrance signage, demonstration kiosks, site lighting, barn lighting upgrades, fencing, landscaping, painting of the barns and farmhouse, a “chicken coup” kiosk, and a stage area within a corn crib.

Challenges on the project involved scheduling the work to accommodate ongoing events and coordination with farming activities. The \$700,000 improvements were completed in 2017.

Project Page- Kinkora Trail, Mansfield NJ

TDG completed design, permitting, construction documents, bid specifications, and contract administration for the Kinkora Trail in Mansfield Township for the Burlington County Dept. of Resource Conservation. TDG was the lead consultant of a team including civil engineers and a naturalist. The 3.2-mile multi-user trail is a portion of a larger trail that will eventually span 13 miles and connect to the larger "Circuit" trail network beyond Burlington County. This segment includes both on and off-road segments that link two existing municipal parks. The off-road portion passes by active agricultural fields, wetland meadows, open grasslands, and shaded woods. Features include a pedestrian bridge, picnic areas, benches, decorative concrete culvert crossings, fencing and interpretive signage and restoration with native seeding.

Challenges on the project involved permitting of environmentally sensitive areas, construction access issues and difficult soil conditions as well as scheduling the work with farming activities. The \$900,000 improvements were completed in 2016.

Project Page- Willingboro Lakes Park, Willingboro NJ

TDG completed design, construction documents, bid specifications, construction oversight and contract administration for phase one improvements to Willingboro Lakes Park for the Burlington County Dept. of Resource Conservation. TDG was the led consultant of a team that included civil engineers, architects, environmental consultants and limnologists and MEP Engineers to successfully develop the park.

The park contains two lakes that were formed from sand quarrying operations in the early 1900's, then transformed to a commercial swimming lake. After being abandoned as commercial recreation area, the County purchased it as a nature preserve. The proposed design removes remnants of the previous quarrying operations and commercial swimming uses and fosters a natural aesthetic for the park

while providing a new park entrance, parking area, restroom building, picnic pavilion, nature themed playground, picnic area, meadows, lake front loop trail connection, a new pathway system to provide accessibility to three new fishing piers/canoe kayak launches, an informal amphitheater, wayfinding signage and site furniture. The \$2.4 million project was completed in 2020.

Project Page- Rancocas Creek Greenway Trail, Amico Island to Pennington Park

TDG completed the feasibility study, design, permitting, construction documents and bid specifications for the Rancocas Creek Greenway Trail from Amico Island Park to Pennington Park for the **Burlington County Dept. of Resource Conservation**. The trail passes through the Townships of Delran, Riverside and Delanco. TDG was the lead consultant of a team including that included: Surveyors, Civil Engineers, Cultural Resource Specialists, Geotechnical Engineers, Structural Engineers, and Environmentalists.

The 4.0-mile multi-user trail is a portion of a larger trail that will eventually span thirty miles along the Rancocas Creek and connect to the larger "Circuit" trail network beyond Burlington County. This segment includes both on and off-road segments that link two existing County parks as it passes through three communities and several residential neighborhoods. The trail also connects to two RiverLine light rail transit stations, as well as local bus routes, making the trail a critical part of a multimodal transportation network. The off-road portion offers spectacular waterfront views as it passes along the edge of the Rancocas Creek and through adjacent meadows and shaded woods. The on-road portions wind through local, tree lined, neighborhood streets. Features include a new trailhead, parking, picnic area, overlook, bridges, signage, site furniture and landscape plantings.

Challenges on the project involved permitting of environmentally and culturally sensitive areas as well as compliance with federal funding requirements. The \$3,700,000 improvements are scheduled to be completed in spring 2022.

General Conditions

1. This proposal is effective as a valid agreement for 60 days, after which time Taylor Design Group, Inc. (TDG) reserves the right to review and revise the proposal fee, time schedule and terms to allow for changing costs and workloads.
2. Meetings in excess of those outlined above are considered an additional service and will be billed in accordance with our normal hourly rates.
3. Other professional Services, such as Environmental Study & Permitting, Surveying, Structural, Electrical, Mechanical Engineers, etc. which are not expressly included, are excluded from this proposal.
4. All documents prepared by TDG shall be the sole property of TDG until payment is made in full. Client agrees that, if payment is not made in full, client has no proprietary interest in any document prepared by TDG; TDG reserves the right to require the return of any document submitted to the client or others.
5. The hourly rates indicated in the proposal are presently in effect. TDG reserves the right to annually review and revise these rates, if necessary. The rate schedule in effect at the time the work is completed will be the basis for billing.
6. Reimbursable expenses such as application fees, printing, travel, reproduction, express mail, messenger service, subcontractors, postage service, and other out-of-pocket expenses will be billed at cost. Automobile travel is billed at the current mileage rate allowed by the IRS.
7. Invoices will be submitted on a monthly basis for work performed during that month. Any comments or discrepancies relative to said invoices must be submitted within ten working days of the invoice date. If no discrepancies are reported within said period, the account will be considered accurate.
8. Payment is expected within 30 days of the date of the invoice. Any account that is delinquent past 15 days may necessitate the stopping of all work. 1-1/2% per month administrative charge will begin accruing from the date of the invoice.
9. Once both the client and TDG have executed the proposal, the proposal will serve as the Contract for Services.
10. The individual executing this contract represents that he/she has the authority to bind that entity to this Contract for Services.
11. The client agrees to pay TDG for all work performed in accordance with the contract, without regard to the success of the project. Payment to TDG is
12. expressly not conditioned upon the client receiving payment from third parties to the contract, such as financial institutions, developers, tenants, or property owners
13. The client agrees to limit TDG liability to the client, all construction contractors, subcontractors and third parties on this
14. project due to TDG's professional negligent acts or omissions such that the total liability will not exceed the total fee charged by TDG for services rendered on the project.
15. The client agrees to defend, hold harmless and indemnify, TDG against any action at law instituted by anyone against TDG, related to, or by reason of, its rendering services pursuant to this agreement, unless and until a court of competent jurisdiction finds that TDG has acted outside the scope of its duties and/or acted contrary to law and is liable for damages.
16. Requests for revisions or additional information and/ or documents that fall beyond the scope of the original submission and the understanding of TDG, or changes in applicable regulations, will require an adjustment of the fees under this contract.

Code of Ethics

There are no known or potential conflicts of interest that would preclude TDG from working for the Board. No principals or employees of TDG are related to any Board officials or employees.

TDG is not on any State's debarred vendor list. TDG is registered to do business in New Jersey (Certificate Attached) and complies with the "Equal Employment Opportunity" requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27. (AA-302 Certificate Attached)

TDG has been in business since 2001 under the same name and management.

There are no ongoing investigations and/or litigation matters involving the Principals or any individuals employed by Taylor Design Group, Inc.

In 2018, Taylor Design Group was named in a lawsuit where a woman tripped over a raised irrigation head at Burlington County's Pennington Park in Delanco, NJ. TDG was included in the lawsuit because our civil engineering sub-consultant designed the irrigation system, which had been completed and operational for 5 years before the accident. The Judge issued an order that **all claims against Taylor Design Group have been dismissed**, and the claim has been closed out.

MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE
GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employments because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contract will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity should include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitation or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contract officer advising the labor union or workers' representative of the contractor's commitments under this act and should post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to afford equal employment opportunities to minority and women workers consistent with Good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2, or Good faith efforts to meet targeted county employment goals determined by the Division pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

**EEO/AFFIRMATIVE ACTION COMPLIANCE NOTICE TO BIDDERS
N.J.S.A. 10:5-31 AND N.J.A.C. 17:27
GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS**

All successful bidders are required to submit evidence of appropriate affirmative action compliance to the County Division of Public Contracts Equal Employment Opportunity Compliance. During a review, Division representatives will review the County files to determine whether the affirmative action evidence has been submitted by the vendor/contractor. Specifically, each vendor/contractor should submit to the County, prior to execution of the contract, one of the following documents:

Goods and General Service Vendors

1. Letter of Federal Approval indicating that the vendor is under an existing federally approved or sanctioned affirmative action program. A copy of the approval letter is to be provided by the vendor to the County and the Division. This approval letter is valid for one year from the date of issuance.

Do you have a federally approved or sanctioned EEO/AA program? Yes ___ No X
If yes, please submit a photo copy of such approval.

2. A Certificate of Employee Information Report (hereafter "Certificate"), issued in accordance with N.J.A.C. 17:27-1.1 et seq. The vendor must provide a copy of the Certificate to the County as evidence of its compliance with the regulations. The Certificate represents the review and approval of the vendor's Employee Information Report, Form AA-302 by the Division. The period of validity of the Certificate is indicated on its face. Certificates must be renewed prior to their expiration date in order to remain valid.

Do you have a State Certificate of Employee Information Report Approval? Yes X No ___
If yes, please submit a photo copy of such approval.

3. The successful vendor should complete an Initial Employee Report, Form AA-302 and submit it to the Division with \$150.00 fee and forward a copy of the Form to the County. Upon submission and review by the Division, this report should constitute evidence of compliance with the regulations. Prior to execution of the contract, EEO/AA evidence must be submitted.

The successful vendor should complete an initial Employee Report (Form AA-302) on the Division website at www.state.nj.us/treasury/contract/compliance.

The successful vendor(s) must submit the AA-302 Report to the Division of Public Contracts Equal Employment Opportunity Compliance, with a copy to Public Agency.

The undersigned vendor certifies that he/she is aware of the commitment to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27 and agrees to furnish the required forms of evidence.

The undersigned vendor further understands that his/her bid should be rejected as non-responsive if said contractor fails to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below), and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that the FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

PART 1: CERTIFICATION

BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.

FAILURE TO CHECK ONE OF THE BOXES MAY RENDER THE PROPOSAL NON-RESPONSIVE.

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the State of New Jersey, Department of Treasury, Division of Purchase and Property website at <http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf>. Bidders must review this list prior to completing the below certification. **Failure to complete the certification may render a bidder's bid proposal non-responsive.** If the Township of Barnegat determines that a person or entity has submitted a false certification concerning its engagement in investment activities in Iran pursuant to section 4 of P.L. 2012, c.25 (C.52:32-58), the local contracting unit shall report to the New Jersey Attorney General the name of that person or entity, and the Attorney General shall determine whether to bring a civil action against the person to collect the penalty prescribed in paragraph (1) of subsection a. of section 5 of P.L. 2012, c.25 (C.52:32-59). The Township of Barnegat may also report to the municipal attorney or county counsel, as appropriate, the name of that person, together with its information as to the false certification, and the municipal attorney or county counsel, as appropriate, may determine to bring such civil action against the person to collect such penalty.

PLEASE CHECK THE APPROPRIATE BOX:

I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and I am authorized to make this certification on its behalf. I will skip Part 2 and sign and complete the Certification below.

OR

I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below. Failure to provide such will result in the proposal being rendered as nonresponsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

PROVIDE INFORMATION RELATIVE TO THE ABOVE QUESTIONS. PLEASE PROVIDE THOROUGH ANSWERS TO EACH QUESTION. IF YOU NEED TO MAKE ADDITIONAL ENTRIES, ATTACH ADDITIONAL PAGES.
