### FIRM - Flood Map Info

All Flood Insurance Rate Maps (also known as FIRMS) consist of Old Firm Maps and New Firm Maps

These FIRM maps are dated starting from 1983 and go up to our current FIRM map from 2006. We also have a copy of the 2015 Preliminary FIRM Map.

There are several ways to obtain a Flood Map, Base Flood Elevation, Zones, etc.

1. Go to [www.barnegat.net](http://www.barnegat.net)  
Click on "Community Links"  
Click on "NFIP" National Flood Insurance Program  
Click on "FORERUNNER"  
ENTER YOUR ADDRESS
2. You can contact the Township Flood Plain Administrator, Kurt Otto at [kotto@barnegat.net](mailto:kotto@barnegat.net) or by calling (609) 698-0080 x148
3. All maps are stored and can be viewed in the Construction Office located at Town Hall. You can view these FIRM Maps Monday through Friday between 8:30am and 2:30pm. But please make sure to make an appoint with Kurt Otto prior to coming in to the office.

This service is available to all Barnegat Township Residents. If you need further information or would like to view any FIRM maps, please feel free to contact me at the number or email listed below.

Sincerely,

Kurt Otto, PE, CME, CFM  
Barnegat Township  
Township Engineer  
CFM/CRS Coordinator/Floodplain Administrator
