**Re: Fee Estimate for Professional Engineering Services
NJDOT FY 2020 Roadway Improvements to Pine Oak Blvd, Ph1 – CONAD
Barnegat Township, Ocean County, NJ
Proposal No. 2020-181**

Dear Mr. Lisella:

We are pleased to present our fee estimate for professional services for the above-mentioned project. It is our understanding that the project was awarded to Earle Asphalt Company in the amount of \$268,013.13 at the August 4, 2020 Committee Meeting.

We recognize the scope of work for this project to generally involve concrete work, drainage upgrades, paving improvements, and restoration along Pine Oak Boulevard.

With this in mind, our office anticipates the following scope of work:

A. Construction Phase Services

The following services will be provided under this phase, based upon a 60 day contract time and our anticipated schedule above:

1. Attend preconstruction meeting;
2. Provide assistance with interpretation of contract documents;
3. Review shop drawings for site-related items;
4. Provide construction observation services;
5. Prepare contractor punch lists;
6. Review and approve monthly progress pay estimates; and
7. Coordination with NJDOT for project closeout

Lump Sum Fee \$29,500

Any engineering services not indicated in this proposal will be invoiced at a mutually agreed upon price and as specifically authorized by the Administrator and/or the Township Governing Body.
